 Los Angeles, CA 91342 |  (818) 422-0989 |  [alexisbustos10@yahoo.com](mailto:alexisbustos10@yahoo.com) | [Portfolio site](#)

## PROFESSIONAL SUMMARY

---

Recent Computer Information Technology graduate with hands-on experience in cloud infrastructure, full-stack web development, database management, and DevOps practices. Collaborated with a team to build and deploy a full-scale Laravel e-commerce application with AWS automation, security, and CI/CD integration by applying the Agile project management methodology. Seeking a role where I could apply my skills to help support business goals.

## EDUCATION

---

**Bachelor of Science in Computer Information Technology** May 2025  
California State University, Northridge (CSUN), **GPA 3.91**

Relevant coursework: Database management, Networking & Security, Cloud Computing (AWS), Senior Design

## TECHNICAL SKILLS

---

**DevOps & Web Development:** AWS, Linux, CI/CD, IAM, Laravel, JavaScript, HTML, CSS, MySQL, Node.js

**Tools & Platforms:** Git & GitHub, MySQL Workbench, Figma, Notion, VS Code, MS Project

**Other:** Networking & Security, Virtualization, Python, SQL, Project Management

## TECHNICAL PROJECTS

---

**Full-Stack E-Commerce Web App | Laravel, AWS, MySQL | Senior Design Capstone** Sep 2024 – May 2025

- Collaborated with a 4-person team to design and develop a fitness equipment e-commerce platform using Laravel (LAMP stack) and Agile methodology. This included developing the app locally and deploying to AWS.

**MERN Stack Notes Application | MongoDB, React, Express.js, Node.js** Aug 2025

- Created a notes app that utilizes CRUD principles so users can jot down their thoughts/ideas. Implemented rate limiting to prevent overwhelming requests to the server.

## PROFESSIONAL EXPERIENCE

---

**Usher** Apr 2023 – Present

REGENCY THEATRES Panorama City, CA

- Delivered excellent customer service during high-volume showtimes while maintaining order and attention to detail.
- Boosted concession sales by leveraging upselling strategies to promote merchandise and combo deals.

**Technical Intern** Sep 2022 – Dec 2022

ARCADIS U.S. Los Angeles, CA

- Compiled and finalized project documentation for the Los Angeles Community College District, ensuring compliance with regulatory requirements and facilitating project closure within established timelines as the most junior member on the team.
- Managed document control processes, improving the speed and accuracy of project reference lookups.
